A Message from the Governor

Welcome.

I am honored to be elected Governor by you, the ad clubs and federations that make up our district of the AAF, District Two.

While we are part of something larger with AAF national being the strong voice for our industry, it is the day-to-day, hard-working volunteers at the local club level that continue to show the real value of the organization as a whole.

It is our mission to bring the district and our individual clubs and federations closer together to promote interaction. To connect with each other to share ideas. To collaborate and celebrate what has worked well or needs improved. To understand that we are not alone in the challenges we face.

Send an email, pick up the phone or text to begin a conversation with the people who are as interested in this business as you. Communicating is what this directory will allow us to do quickly and easily.

The District Two executive committee and myself, are here for you whenever you need us. You are encouraged to contact any of us should the need arise.

Talk to you soon.
